Join us for a special breakfast event on January 21, where we will welcome local REO experts, Peg Walther, Dawn Harmon, Peg Knoettner and Jim Knowlton who have graciously agreed to come and guide us through the new world of bank owned properties and how we can more efficiently work within this world. It will be a question/answer format with an open forum ending to ensure we all get our questions answered. This will be a wonderful educational experience to kick off our fabulous line up this year!
